

Change of Degree (Positive-Comparative-Superlative)

It is a significant chapter of **Transformation of sentences**.

Here, we are to change a sentence from **Positive** to **Comparative** or **Superlative** according to the rules of changing the adjective or adverb words.

The **comparison** of adjective words or adverb words is known as **Comparison of Degree** in English grammar.

Firstly, I would like to introduce the forms of degrees for your better understanding. There are 3 kinds of degrees in adjectives and adverbs. They are:

- **Positive Degree** – (no comparison)
- **Comparative Degree** – (comparison between two persons or objects)
- **Superlative Degree** – (comparison among several persons or objects)
